

# Four-Year Options for English Courses

- Four English credits are required to graduate.
- We recommend choosing a level and continuing with that for all four years as the skills are scaffolded across the four courses. However, a student may move up a level after their freshman or sophomore year. We do not recommend jumping up two levels though. Additionally, students who have taken on-level, honors, or AP AND who meet the qualifying SAT, ACT, or TSIA score may enroll in the English IV Dual Credit course.
- We also offer several electives: Journalism I, Advanced Journalism: Yearbook or Newspaper Production, Leadworthy Teen Leadership (CSHS only), Creative Writing, and Literature in Pop Culture (both AMCHS only).
