staff and someone will help you

Be Your Best Advocate!

Plan for your future now.

Use a planner / calendar to stay organized.

Pay attention to deadlines.

Ask questions and seek information. Don't just guess.

It's not too late! Grades :)

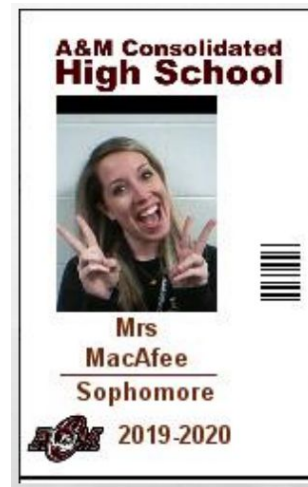

A tale of two freshmen...

Ms. Faith failed her classes, didn't go to tutorials and didn't work in the spring to pass her classes. She only earned 4 credits.

When she comes in August to pick up her schedule it will look like this....

Ms. MacAfee struggled in her classes and failed a couple in the fall, but she worked hard, went to tutorials and earned a high enough grade in the spring to pass. She made a 65 in the fall but a 75 in the spring so she made a 70 and earned credit. When she comes in August to pick up her schedule it will look like this!

Credit Check / Graduation Requirements / Transcripts
